

THE U.S. DOLLAR BONDS THE WASHINGTON BANK  
OF THE UNITED STATES OF AMERICA  
THE MINISTRY OF FINANCE OF

THE UNITED STATES OF AMERICA  
202182 202182

The Ministry of Finance of the United States of America authorized the Washington Bank to issue the U.S. dollar bonds to the whole world.

The bonds were issued in Aug. 1935. Their interests and capitals will be paid off on Aug. 30, 1985.

The calculation method if the interests is: you can draw the interest of sixty thousand U.S. dollars every two years.

If you can't draw the interest, the capital will be doubled every ten years. The bonds can be bought and sold freely. It consists of the original and copy. If one of them is lost, then the other is invalid too. The interest can not be drawn. Every subscriber must pay the money by the valid original papers only in the allotted time.

The bonds are current in the whole world, and valid forever.
